

# Volunteers Needed

Here's the positions we are looking to fill.

Vice President for 2018 - Responsibilities would be to attend the monthly meetings, and run the meeting if the president can't make it.

Someone to assist Janelle Homan with running the Oratory Contest. She is chairing it, but a second person to help get things organized would be appreciated.

Marilyn Pottokotter has organized the MCRTL Dance for many many years, she is going to do it one more year, then will be stepping down. We are looking for someone to take over chairing this event.

This one isn't as urgent, but if there's anyone interested in taking over lining up the volunteers for the fair booth that is open also.
