

Thank you for participating in the Mercer County Right to Life Coloring Contest for ages 2-10!

Mercer County Right to Life believes life is precious and should be celebrated from conception to natural death.

Please scan or take a nice photo of your pages (To get good results, place the page on a level surface with ample natural light and no shadows) and send it to MCRTLcolor@gmail.com. Please submit all coloring pages by the end of the day on May 24, 2024

We will pick the top 5 winners on June 1, 2024. We'll feature the winners of the contest in our newsletter, on stickers that will be distributed during parades, and at our booth at the Mercer County Fair in 2024. In addition, the lucky winner will get to enjoy 10 stickers of their very own coloring page!

All other submissions will be showcased in the newsletter when needed and on a FB page periodically.

Submission Form(*required information will not be displayed or shared without further written consent*):  
Child Name and Age:
